Each individual barcode pass will grant early entry to Black Rock City for ONE participant for arrival after the date at the top of this pass. Each person traveling in the vehicle must have a UNIQUE early arrivale pass and ticket to gain entry prior to the start of Burning Man (Monday August 25th 12:01am)

**WARNING: DO NOT DUPLICATE THIS PASS. EACH PASS CAN BE USED ONLY ONCE.**

Keep this printout in a safe place! If the barcode is severely wrinkled, wet, or otherwise doesn't scan properly it will delay your entry into BRC. This unused pass is fully transferrable; it is your camp's responsibility to ensure that the correct person brings this pass with them to BRC.

Please be Kind to the Gate Crew - they do an important and difficult job. Remember to contact the Placement Team when you arrive on Playa

Have a safe journey to Burning Man. Welcome home, you're early!
